## Speaker Packs

Every party starts with the sound!

Hire one of our speaker packs - add CD player or DJ mixer and audio options (or use your own) to get the party started!

### 1200W Dual Speaker Pack

start at \$ 195

- 2 active speakers (choose from 12", 15" & Dual 15" sizes)
- 2 speaker stands (not applicable for Dual 15")
- 6 channel audio mixer with iPod Cable

suitable for 50 - 200 people, simple to setup & use

**NEW:** Upgrade to the new 1500W "DAS" VANTEC Range with wireless connectivity to cover up to 350 people for only a fraction more. Enquire instore!

### 2400W Dual Speaker & Sub Pack

\$ 319

- 2 active speakers (15")
- 2 active subwoofers (18")
- 6 channel audio mixer with iPod Cable

suitable for 100 - 300 people, simple to setup & use

### 3700W Dual Speaker & Sub Pack

\$ 429

- 2 active speakers (15")
- 2 active subwoofers (18")
- 6 channel audio mixer with iPod Cable

suitable for 150 - 400 people, simple to setup & use

### 4000W Compact Speaker System

\$ 595

- 2 Active 3 Way speakers (15" driver, 8" horn)
- 2 Active Subwoofers (18")

suitable for 200 - 500 people, great system for band use but will need to add a suitably sized mixer
